Helping set up and take down equipment for church service. In between, watching and teaching crawlers, which are newborns to 3 years of age.

Helping the staff watch and care for children during regular church service. Aided in re-painting public fences alongside roads.

Dressing as an elf to portray a character while passing out candy to children, singing charols, and reading stories.

Worked independently executing cleaning and sanitizing procedures in nurses stations and residents' rooms while paying extremely close attention to details.

Worked with chef in a family friendly bar and grill, performing a wide range of food prep, plating, and cooking responsibilities to please customer orders.

Performed food prep and cooking responsibilities according to company standard while maintaining the restaurant's cleanliness.

Operated the cash registers and phones with professionalism and accuracy.

Managed work shifts and employee's while maintaining the store's cleanliness and organization to satisfy customer experience.

Worked with store leader in upholding inventory and cash management responsibilities. Designed decorations and window paintings for the store, and executed custom cake decorations for customers' orders.
